NOTICE

BIBLIOGRAPHY OF SCIENTIFIC AND INDUSTRIAL REPORTS

Effective July 1, 1948, the BIBLIOGRAPHY OF SCIENTIFIC AND INDUSTRIAL REPORTS will be published monthly instead of weekly and on a more selective basis. The last weekly issue will be Volume 9, Number 13, June 25, 1948. The July issue which will be the first monthly issue will be available about July 25, 1948. Succeeding monthly issues will appear about the 25th of each month thereafter through June 1949.

Annual subscriptions and orders for individual copies starting with the July 1948 issue should be addressed to the Department of Commerce, Office of Technical Services, Washington 25, D. C., accompanied by check or money order made payable to the Treasurer of the United States. Annual subscriptions for monthly issues of the BIBLIOGRAPHY OF SCIENTIFIC AND INDUSTRIAL REPORTS will be $10.00. Individual issues will cost $1.00 per copy. Foreign subscriptions will be $14.00 and $1.50 per copy.

NEW PROCEDURE FOR ORDERING REPORTS

Effective immediately all orders for reports in microfilm or photostat type of reproduction listed in the BIBLIOGRAPHY OF SCIENTIFIC AND INDUSTRIAL REPORTS should be addressed to the Library of Congress, Photoduplication Service, Publication Board Project, Washington 25, D. C. Check or money order accompanying orders for microfilm or photostat reports should be made payable to the Librarian of Congress.

Orders for reports available in printed form should be addressed to the Department of Commerce, Office of Technical Services, Washington 25, D. C. Check or money order accompanying order for printed reports should be made payable to the Treasurer of the United States.
